

ON THE MOVE

Intro

E C#m A E B

Verse 1

E
We have seen and we have heard
C#m
A song that's rising from the dust
A
Breathing on our dry bones
E
Breathing on our stoney hearts

Verse 2

Like a movement crashing
A revolution of head and heart
Only you can change us
Only you can start the fire

Chorus

A E B C#m
You are on the move like a lion on the loose
A E
Every soul will sing every heart will wake
B E
You are on the move

Verse 3

We have felt the shifting ground
Come away beneath our feet
Shifting every motion
Waking up every part

Bridge

C#m A
You are rising like the sun
E B
You will burn like the stars
C#m A
You will turn back every heart
E B
Back to you, Back to you
