

KEEP ME BURNING

Verse 1

D
I am searching, to see the depths inside
Bm G
To find the purest light that's rising
D
I am waiting through the bitter rain
Bm
In the waste and ruin
G
I am here

Chorus

G D
Keep me burning, deep below the surface
Bm A
Keep me longing till the morning light
G D/F#
I'm on fire when your near me
A Bm
Keep me burning till the morning light

Verse 2

I'll be running when the weight bears down
When the light goes out keep me strong
Help me seek you, I'll chase you to the end
To the foreign lands
Where hope leads

Bridge

Bm G D/F# G
I'll keep my eyes set upon You now
So let this house be lost to the flames and fire
