

IT IS WELL WITH ME

Intro

G C G D

Verse 1

C Em D
When day has turned to dusk and the light has drawn away
C Em D D
I will surely say you are Good, you are Good
C G Em D
How my heart will sing through that fearful night
C G D D
All your promises they are true, they are true

Chorus

G C
Still I'll praise you, still I'll choose too say
G D
It is well with me
Em C
Through the storm and through the tempest
G D G C G D
It is well with me

Verse 2

My treasure has been lost, vanquished by the waves
I'll hold onto the mast, I will sing, I will sing
Still nothing comes against the rock of ancient grace
Who made a way that lasts I'll not fear, I'll not fear

Bridge

Bless your name oh God
When all around has been and gone
Bless your name oh God
Oh my soul oh my soul sing it out
